

SEIGSC-WVU Guest Speaker Presentation by Senior Industry Professional

Morgantown, West Virginia -

On November 11, 2019, Dr. Gergis W. William, Senior Structural Engineer at AECOM, presented a guest lecture on “Inspection and Rehabilitation of Bridges.” The presentation highlighted a case study of emergency repair of Bridge 1-813 / I-495. It started with the identification of critical condition of the bridge piers and need for immediate response in terms of geotechnical and structural investigations. It also featured various inspection procedures and repair analysis including the rapid rehabilitation process, significant team efforts and challenges along way. A total of 36 undergraduate and graduate students attended the guest lecture.
