## ANNOUNCEMENT

### 2019 SEIGSC-WVU Invited Presentation by WV Section ASCE President

*Morgantown, West Virginia -*

The Structural Engineering Institute Graduate Student Chapter at West Virginia University (SEIGSC-WVU) is pleased to invite the chapter membership for a guest speaker presentation on June 17, 2019 at 10:30 AM in Engineering Science Building, Room ESB 501.

**Guest Speaker:** Gregory K. Michaelson, Ph.D., P.E.

**Topic:** Development of Economical Short-Span Steel Bridge Solutions

**About the Speaker:** Dr. Gregory Michaelson is an Assistant Professor in the Weisberg Division of Engineering at Marshall University. He completed his Ph.D. in Civil Engineering in 2014 at West Virginia University. He is a registered professional engineer in West Virginia. In 2011, he was awarded the National Science Foundation Graduate Research Fellowship for his research on the redundancy of steel truss bridges. His current research interests are focused on the development of modular accelerated bridge construction, field testing of highway bridges, and improvements to current bridge design standards. He also serves as President of ASCE WV Section.
